Term 1 Week 2

8th February, 2019

Gospel reading for Sunday is from Luke 5:1-11

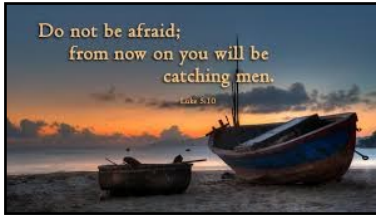

They left everything and followed him.

Jesus was standing one day by the lake of Gennesaret, with the crowd pressing round him listening to the word of God, when he caught sight of two boats close to the bank. The fishermen had gone out of them and were washing their nets. He got into one of the boats – it was Simon's – and asked him to put out a little from the shore. Then he sat down and taught the crowds from the boat.

When he had finished speaking he said to Simon, 'Put out into deep water and pay out your nets for a catch.' 'Master,' Simon replied 'we worked hard all night long and caught nothing, but if you say so, I will pay out the nets.' And when they had done this they netted such a huge number of fish that their nets began to tear, so they signalled to their companions in the other boat to come and help them; when these came, they filled the two boats to sinking point.

When Simon Peter saw this he fell at the knees of Jesus saying, 'Leave me Lord; I am a sinful man.' For he and all his companions were completely overcome by the catch they had made; so also were James and John, sons of Zebedee, who were Simon's partners. But Jesus said to Simon, 'Do not be afraid; from now on it is men you will catch.' Then, bringing their boats back to land, they left everything and followed him.

Congratulations

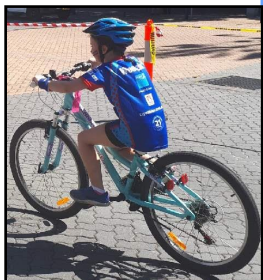

On 5th January, Sophie Patel (3Y) competed in the highly competitive Hollywood Bound National Dance Championship. Sophie received a High Gold Score and also won the "Most Entertaining Routine Award". She is extremely proud of her achievements!

Congratulations to Maeve Nolan (3Y), who completed her 1st TRYathlon at the Weetbix Kids TRYathlon event at Olympic Park.

She put in a tremendous effort and even had enough energy at the end to do a cartwheel over the finish line.

Congratulations to Sophie Patel who also took part in this TRYathlon.

Congratulations to Joshua Cetinic who represented NSW in the Little Athletics NSW Trans-Tasman competition in January. He was chosen from 350 athletes from across NSW to compete in the 400m, Long Jump, Shot Put and Discus in his U11 age group. Joshua won a silver medal in Long Jump and 4 x 400m relays. He placed 4th overall in the 400m final – shaving 2 seconds for a new PB. He also placed 7th in Shot Put and Discus. Well done on an amazing achievement and what a great experience competing against fellow friends from other NSW clubs and New Zealand athletes.

Mathematics in the home

Ways to help your child learn mathematical ideas at home:

Play games together

- Number games
- Card games
- Board games
- Dice games

Games that can help your child to think mathematically:

- What's the time, Mr Wolf?
- Snakes and ladders, counting on from a random number after they go down a snake or up a ladder
- UNO, hopscotch
- Monopoly, adding and subtracting money

Use everyday opportunities to make mathematics visible

- Remember your child's learning may look different to yours.
 - There can be a number of ways to solve a mathematical problem.
 - Don't say "That's wrong", ask "How did you get your answer?"
 - Encourage your child to talk through their thinking.
 - Allow your child time to think - don't rush in and give them the answer - wait and listen.
 - Help your child learn their times tables, up to 12 and beyond.
- When their tables are automatic, children can do calculations much more easily.
