**Term 1 Week 7**

**15th March, 2019**

## The Gospel reading for this Sunday is from Luke 9:28-36

*As Jesus prayed, the aspect of his face was changed, and his clothing became brilliant as lightning.*

Jesus took with him Peter and John and James and went up the mountain to pray. As he prayed, the aspect of his face was changed and his clothing became brilliant as lightning. Suddenly there were two men there talking to him; they were Moses and Elijah appearing in glory, and they were speaking of his passing which he was to accomplish in Jerusalem. Peter and his companions were heavy with sleep, but they kept awake and saw his glory and the two men standing with him.

As these were leaving him, Peter said to Jesus, 'Master, it is wonderful for us to be here; so let us make three tents, one for you, one for Moses and one for Elijah.' – He did not know what he was saying. As he spoke, a cloud came and covered them with shadow; and when they went into the cloud the disciples were afraid. And a voice came from the cloud saying, 'This is my Son, the Chosen One. Listen to him.' And after the voice had spoken, Jesus was found alone. The disciples kept silence and, at that time, told no one what they had seen.

## Year 1 Family/Parish Mass

Our next Family/Parish Mass will be celebrated on Sunday, 17th March, at 9.30am. All families, especially Year 1, are welcome. Mass will be followed by morning tea in the Parish House.

## Harmony Day

On Thursday, 21st March, OLOL will celebrate Harmony Day. It is a day where we celebrate inclusiveness, respect and a sense of belonging for all Australians, from traditional owners of the land to those who have come from many countries around the world. Our cultural diversity is one of our greatest strengths and is at the heart of who we are. On this day, the students will participate in activities that recognise and promote Australia as a vibrant and multicultural country.

## Why is my child's Teacher out of Class?

Like professionals in other fields, all teachers are required to keep up to date with current thinking on best practices and new developments in all curriculum areas. From time to time teachers are required to attend professional development opportunities to learn about changes to curriculum, new methods of teaching and learning and other ways of integrating technology. These sessions sometimes occur during the day, after school or in the school holidays. Teachers are also given time at the beginning of the year to conduct assessments to pinpoint your child's learning needs. Some teachers also have additional responsibilities which benefit the whole school. At times, teachers are also required at diocesan events etc. Teachers also have entitlements such as sick leave, long service leave, maternity leave, bereavement leave, jury duty, consequently, there will be times when your child's teacher is absent from the classroom. On these days the teacher's program and day book is followed. Teachers on a grade work closely together allowing the grade partners to liaise with the substitute teacher so that good teaching and learning continues and routines are kept. We thank you for your support in this area.

## Social Skills

### Respect feeling good about yourself and others

- ♦ Valuing others / being friendly / being a good friend / encouraging others

Families should have received their first School Fee Instalment Invoice, if not please contact the office as soon as possible.

Flexible Payment Plan (Direct Debit) is offered with your first instalment.

For those families that do not accept Flexible Payment Plan, your first instalment is due on 29th March, 2019.

## **National Day of Action against Bullying and Violence (NDA)**

Today, Our Lady of Lourdes joined other Australian schools to celebrate the eighth National Day of Action against Bullying and Violence (NDA).

The students participated in extra activities and lessons about this very important issue.

## **Parents urged to take the lead in preventing bullying among young people**

Parents are faced with a myriad of concerns when it comes to the safety and wellbeing of their children; but often near the top of the list is bullying – both online and face-to-face.

On this National Day of Action against Bullying and Violence (15 March) the peak body for parents with children in Catholic schools says that we all have a part to play in addressing bullying, including parents. Council of Catholic School Parents (CCSP) Executive Director, Peter Grace, says that bullying is learned behaviour, which makes the type of behaviour that parents model for their children incredibly important.

“Bullying is an area of great concern for many parents, and understandably so. Any parent of a child that has been bullied knows how distressing it is, not only for the child, but for the whole family.

“To help prevent bullying, Catholic schools have their own bullying prevention strategies in place and it is critical that parents actively engage in and support these strategies. Schools also have policies and processes in place to manage reported bullying behaviour so that it is addressed as early as possible.

“At home, children are watching and learning from the adults in their lives, so we must be conscious of the examples we set for them. Do our thoughts, words and actions build up or tear down the dignity of others?

“The 2019 National Day of Action against Bullying and Violence theme is *Bullying. No Way! Take action every day.* By setting good examples and reinforcing positive behaviour on a daily basis, parents and carers are helping to prevent bullying among children and young people.

“So, today let’s pause for a minute and consider how we manage conflict in our own lives, how we respond when things don’t go according to plan and how we engage with people on social media. Do we speak up to challenge behaviour we know is not right?” Mr Grace said.

CCSP says that to help prevent cyberbullying, parents should monitor their children’s use of electronic devices and educate their children about cyber safety and being socially responsible users of technology.

“Cyber safety education is not something that schools are solely responsible for. Many children are using devices at home and parents have a responsibility to establish rules, guidelines and expectations around their children’s use of technology. Encourage device free time, monitor your child’s social media and online activity, ensure you support your school’s policy on the use of mobile devices and explore the Office of the eSafety Commissioner’s website for information on cyber safety.

“The Catholic tradition teaches that parents are the first educators of their children. We, as parents, are their role models. As they grow, our children are also influenced by other sources such as television, movies, games, friends and social media. Again, it is important that we, as parents, are aware of what our children are being exposed to, that we talk about the type of behaviour we expect from them, as well as the impact that negative behaviours have on others. As parents, we might also like to reflect on our own use of digital devices and social media and the examples we are setting for our children,” Mr Grace said.

## **Torrs Street Commuter Carpark**

We ask that parents take care when parking in the Torrs Street Commuter Carpark.

Some cars are being parked dangerously as students walk through the carpark unattended, while other students are waiting unsupervised.

Hills Council Rangers have attended and will continue to attend and book people who park illegally.

## **Cross Country 2019**

Last Friday, OLOL had our Cross Country Carnival at Yattenden Oval. Well done to all students who participated in the race and gave it their best effort.

The Diocesan Cross Country will be held in Term 2 at Eastern Creek Raceway. Information and results regarding the next carnival will be distributed in the coming weeks.

## **Sporting Achievements**

Congratulations Lachlan Compton who also achieved excellent results in Mackillop Swimming.

## **Fun Run** **5<sup>th</sup> April 2019**

The OLOL Fun Run is on again this year! This is

a fantastic day of fun held at Yattenden Oval. All children in Infants and Primary classes will take part including completing a 'Fun Run' course at their own pace based on their abilities. The course will be run a grade at a time with Kindergarten children completing the course with their Year 6 buddy. There will also be a range of activities and as always this promises to be a great day out!

## P&F News

### The OLOL Fun Run Day will take place at Yattenden Oval on Friday 5th April.

Fun Run Sponsorship - The top 10 students raising the highest amount of sponsorship money will each be awarded a \$30 Rebel Sports Gift Voucher with all fundraising going towards helping our school. All children will be given a participation ribbon and a cool treat on the day.

A sponsorship form will be distributed to each child. We kindly request that any sponsorship forms and monies be returned to the school office no later than Friday, 29th March.

If you do not receive a Fun Run sponsorship form or have any queries please get in contact with the OLOL P&F Team via email: [ololbhp@gmail.com](mailto:ololbhp@gmail.com)

Interested in helping out with the Fun Run? If you are available on Friday 5th April we are looking for parent helpers on the day. Please email [ololbhp@gmail.com](mailto:ololbhp@gmail.com) to let us know if you're available!

### Jesuit Refugee Service's Lenten Appeal

We are currently supporting the Jesuit Refugee Service's Lenten Appeal (Arrupe Project) - boxes are now in the back of the church for donations. (Flyer attached).

# National Young Leaders Day

On the 11th March, the Our Lady of Lourdes SRC members attended National Young Leaders Day. The day consisted of exciting talks about leadership and teamwork, given by experienced leaders.

Tim Diamond from the Cotton On Foundation spoke about the \$90 million he raised for Uganda and how to pursue your dreams and make a change from a small age. He showed us how to be inspired and that even a small amount of money can make a difference in someone's life. And you also get a water bottle, bracelet, necklace and a notebook out of it.

Cate Campbell had given us a meaningful and inspirational talk about her childhood and how she was a lazy kid but wanted to prove her sister, Bronte, that she can actually train and be the best that she can. She has won 2 Gold medals and 1 Silver medal and now holds a world record in the 100 m freestyle.

Holly Ferling gave an encouraging lecture about how high school will be an amazing adventure, and about how we will be the smallest fish in the largest pond. Her speech was extremely enlightening to us and really gave us perspective on how the world will work when we are older.

Tamsin Janu is an Australian author who has been all around Australia and Ghana experiencing multiple different jobs and people. She has written some amazing books like the Figgy Series and 'Blossom'. She told us about the inspirational experience in Ghana and how we were lucky to even have a grain of rice here in Australia as that would have been a waste of food in this African village.

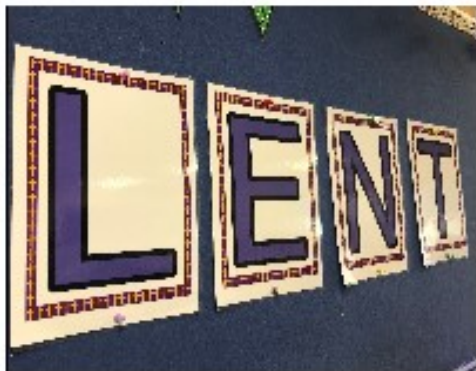

It was a great and inspirational day and I'm sure that all of the staff and students enjoyed this day. Thank you to all who organised this day and to all special speakers on the day.

# *LENT in action in Year 5*

## *Year C: A Time For Reconciliation*

*Our chains of Lenten promises remind us of our relationships - our links - with one another and with God. During Lent, as we focus on reconciling ourselves with others, we pray that we may remain strong in keeping our promises and helping others keep theirs as well.*

# Year 5 Bushwalk

On Monday of Week 6, Year 5 went on a Bushwalk to the Stevenson's Creek bushland area in Baulkham Hills. Year 5 are exploring factors that shape places as a part of our Geography unit. While walking, students were able to note ways in which humans have impacted the environment. A variety of both positive and negative impacts were observed.

## Year 5 Bushwalk Excursion

On the 4th of March, Year 5 went on an adventure through the bush that is located 10 minutes away from our school. This environment belongs to the Baulkham Hills Council so we were very lucky to be able to explore this natural environment.

In our Geography unit, we are learning about how Factors Shape Places, so this excursion was extremely beneficial for our learning since we could see how people have treated this specific environment. During our bushwalk, Year 5 discovered a lot of unfortunate behaviour from people such as graffiti, litter and air pollution caused by cars on the M2. These were some negative effects humans have had on the environment, but we also found a lot of positive effects humans have had on the environment. This includes so many trees still standing, many arachnids, insects and amphibians still living and man made stairs to keep people safe when walking through rough parts of the bush.

Overall, the bushwalk was a very educational and fun experience and it is safe to say that Year 5 really enjoyed it.
