The Gospel reading for this Sunday is from Luke 16:19-31

During your life good things came your way just as bad things came the way of Lazarus. Now he is being comforted while you are in agony.

Jesus said to the Pharisees: 'There was a rich man who used to dress in purple and fine linen and feast magnificently every day. And at his gate there lay a poor man called Lazarus, covered with sores, who longed to fill himself with the scraps that fell from the rich man's table. Dogs even came and licked his sores. Now the poor man died and was carried away by angels to the bosom of Abraham. The rich man also died and was buried.

'In his torment in Hades he looked up and saw Abraham a long way off with Lazarus in his bosom. So he cried out, "Father Abraham, pity me and send Lazarus to dip the tip of his finger in water and cool my tongue, for I am in agony in these flames." "My son," Abraham replied "remember that during your life good things come your way, just as bad things came the way of Lazarus. Now he is being comforted here while you are in agony. But that is not all: between us and you a great gulf has been fixed, to stop anyone, if he wanted to, crossing from our side to yours, and to stop any crossing from your side to ours."

'The rich man replied, "Father, I beg you then to send Lazarus to my father's house, since I have five brothers, to give them warning, so that they do not come to this place of torment too." "They have Moses and the prophets," said Abraham "let them listen to them." "Ah no, father Abraham," said the rich man "but if someone comes to them from the dead, they will repent." Then Abraham said to him, "If they will not listen either to Moses or to the prophets, they will not be convinced even if someone should rise from the dead."

Cyber Safety

This week our Years 3-6 had a visit from Constable Ethan and Constable Alison from Castle Hill Police station. They spoke to the children about bullying and cyber safety. Constable Ethan explained how children under 13 years of age should not be on any forms of social media such as Instagram, Tiktok, Snapchat and Facebook. He also made reference to Fortnite and how it contributed to aggressive behaviour in young children.

Digital Technology

On Thursday all our students had great fun learning about digital technology, using robotics and online coding programs.

Sports News

Sporting Congratulations

Congratulations to:

- **Xavier Scheepers (2G)** who recently competed in National Gymnastics on the Gold Coast. After being selected for the squad for Sydney Hills Gymnastics, he is the youngest in the squad at 7 (and competing against 109 other boys), they went on to become the Junior Club National Champions for 2019!

Xavier's Individual Team won the following - 1st on Rings, 4th on Floor and 5th on High Bar out of 6 apparatus', Xavier results contributed to 2 out of the 3 overall Team scores. Well done fantastic effort .

- **Symon Alha (6P), Jaylen Barnes (6M), Noah Coorey (6M), Ben Gontarczyk (6M), Orlando Lau (6M), Cody Smith (6M) and Alex Truhin (6P).** Who again won their group grand final.

In a nail biting extra time game by 1 point! The pace was constant and the scoreboard was close the entire time. The boys kept their cool. They scored the two points in the last two seconds of regular time to tie the game. In the 3 minutes of extra time they went to the wire with a free shot in the dying seconds saw them win the game! They had a great season led by Geoff Barnes as they learned to play as a team and continued to amaze with their skills each week. It was the perfect end to a great season.. Let's hope that the summer season is as rewarding.

Religious Education in Kindergarten

For the last few weeks Kindergarten have been listening to many stories from the Bible. The children have become very familiar with *John 10:1-18 'The Parable of the Good Shepherd'*. We even made finger puppets to retell the story!

The children have discussed the things a Shepherd does to protect and care for his sheep.

We know that Jesus is our shepherd, we are his sheep and he will always care for and protect us.

Mathematics in the home #13

Holiday Maths

The holiday period provides a great opportunity for you to interact with your child to explore Mathematics in the real world.

You might like to consider the following while shopping during the holidays:

- Describe the location and position of grocery items within the supermarket
- Estimate sizes of trolley or bag needed
- Compare size / mass / quantity / shape of items
- Estimate the mass of eg cans and fruit and vegetables in comparison with others

Other ways to help your child include:

Use everyday opportunities to make mathematics visible

- Remember your child's learning may look different to yours.
- There can be a number of ways to solve a mathematical problem.
- Don't say "That's wrong", say "How did you get your answer?"
- Encourage your child to talk through their thinking
- Allow your child time to think - don't rush in and give them the answer - wait and listen.
