First Holy Communion

The Gospel Reading for this Sunday is from Luke 20:27. 34-38

He is not a God of the dead but of the living.

Some Sadducees – those who say that there is no resurrection – approached Jesus and they put a question to him. Jesus replied, 'The children of this world take wives and husbands, but those who are judged worthy of a place in the other world and in the resurrection from the dead do not marry because they can no longer die, for they are the same as the angels, and being children of the resurrection they are sons of God. And Moses himself implies that the dead rise again, in the passage about the bush where he calls the Lord the God of Abraham, the God of Isaac and the God of Jacob. Now he is God, not of the dead, but of the living; for to him all men are in fact alive.'

Remembrance Day, 11th November

This Monday, 11th November is Remembrance Day, the day where we remember the signing of the Armistice which ended the First World War (1914 - 1918). Each year, Australians observe one minute silence at 11 am on 11th November, in memory of those who died or suffered in all wars and armed conflicts. Red poppies are worn on blazers, shirts, jumpers and other items of clothing on Remembrance Day to remember those who died during a war. Poppies were among the first plants that came from the battlefields of northern France and Belgium during World War I. Some people believed the popular myth that poppies were rich in their redness because they blossomed from grounds that were covered with soldiers' blood.

At 11am on Monday, we will gather as a school community to remember all the men and women who fought so bravely, those who suffered and those who have died. The students will lay flowers and poppies as a symbol of remembrance during our ceremony. We pray for justice, freedom and peace and for the wisdom and strength to build a better world.

Year 3 Family/Parish Mass

Our Family/Parish Mass for Term 4 will be celebrated on Sunday, 17th November, at 9:30am. All families, especially Year 3, are welcome. Mass will be followed by morning tea in the Parish House.

Religious Education in the Classroom

Year 6 Term 4

Term 4 is a very busy time for Year Six. The first Sharing Our Story unit studied is 'Living and Sharing in the Mission of Jesus'. In this unit, the students develop an understanding and appreciation of mission, and the call to mission throughout the world. So far, the students have studied, 'The Judgement' (Mt 25:34-40) and 'The Commissioning of the Disciples' (Mt 28:16-20). The children will then research people who, through their words and actions, are committed to the mission of Jesus. Year 6 will then look at how they can further develop and implement practical ways to continue the mission of Jesus in our school, the community and globally.

Advent/Christmas is the next unit to be studied. With the students preparing to celebrate the completion of their Primary school education, this unit provides the opportunity for students to reflect on their own growth and development, and their hopes and anxieties in commencing Secondary school. Reading Matthew (1:1-17), will allow Year Six to study the genealogy of Jesus. The family tree of Jesus Christ will be identified and the children will reflect on how the love of God has been with them throughout their Primary school years. Finally, the students will research, construct and sequence the symbols of the Jesse Tree. This will allow them to reflect on the symbolism and significance of the celebration of Christmas.

P & F News

One sleep to go!!!!
Reminder – the fete is tomorrow!
10am start

We have been working hard and are so excited that the day has finally arrived. Here's a few things to tell you about so you can be prepared...

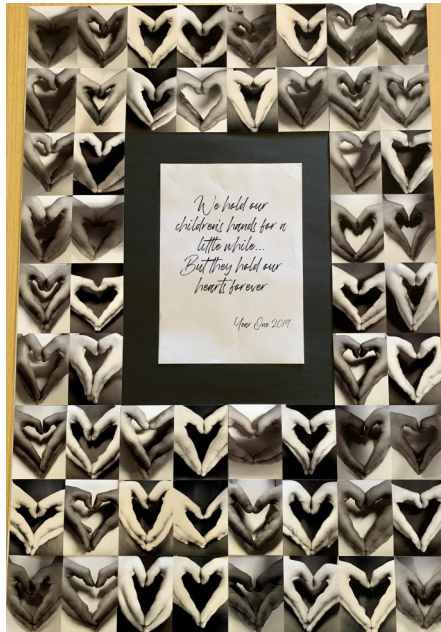

- Cake donations can be delivered to Angie at the top of the open leaning centre either this afternoon at drop off or in the morning when you arrive.
- Only cash sales on the day. ATM onsite.
- Ride bands can be collected from the ride bands stall in the top playground.
- Showbags can be collected at the Showbag and Novelty Stall in front of the office.
- Raffle will be drawn at 1pm so you don't have long left to buy your tickets. Click on this link now so you don't miss out <https://www.rafflelink.com.au/2019-raffle>
- Reminder to all generous volunteers who have scheduled themselves to assist. Thank you for being part of this day and making it happen for everyone. Please arrive 5 mins before your scheduled time to allow for hand over instructions.
- The program for the day is attached so you can see what is happening on the main stage and what prizes are on offer for the Chocolate Wheel.
- Fete map is also attached so you can see where things will be on the day.
- Pick a Code Win a Jumbuck Plus 4 Burner BBQ! Tickets will be on sale from 10am to 2pm when the winner will be drawn live on stage. There are only 100 codes available so get in quick to win this great new BBQ with a bonus \$100 surprise inside! Total value \$450.
- We will be there rain or shine so bring your sunscreen and get ready to enjoy a big day out with our awesome school community.

Lastly, thank you to all the coordinators for your pre-fete efforts. They have not gone unnoticed and are greatly appreciated. Thank you very much.

Now let's get this party started – see you all there tomorrow!

Mathematics in the home #15

Ways to help your child learn mathematical ideas at home:

Fancy footwork

- Order shoe boxes according to shoe sizes eg 6 ½, 7, 7 ½, 8, 8 ½ etc
- Order pairs of shoes in increasing or decreasing size
- Trace around family members' feet, cut out and arrange in increasing or decreasing size order.
- Discuss and compare differences in sizes of feet eg "Sam's foot is larger than Greg's foot but smaller than mum's foot."
- Trace foot each birthday and compare to the previous years' outlines.
- Measure, discuss and compare growth in foot size over time eg "My foot is 2cm longer than it was on my last birthday."

Other ways to help your child include:

Use everyday opportunities to make mathematics visible

- Remember your child's learning may look different to yours.
- There can be a number of ways to solve a mathematical problem.
- Don't say "That's wrong", say "How did you get your answer?"
- Encourage your child to talk through their thinking
- Allow your child time to think - don't rush in and give them the answer - wait and listen.
