Sunday's Gospel reading. (short form)

A reading from the holy Gospel according to Matthew

Such was said to your ancestors; but I am speaking to you.

Jesus said to his disciples: I tell you, if your virtue goes no deeper than that of the scribes and Pharisees, you will never get into the kingdom of heaven.

'You have learnt how it was said to our ancestors: You must not kill; and if anyone does kill he must answer for it before the court. But I say this to you: anyone who is angry with his brother will answer for it before the court.

'You have learnt how it was said: You must not commit adultery. But I say this to you: if a man looks at a woman lustfully, he has already committed adultery with her in his heart.

'Again, you have learnt how it was said to our ancestors: You must not break your oath, but must fulfil your oaths to the Lord. But I say this to you: do not swear at all. All you need say is "Yes" if you mean yes, "No" if you mean no; anything more than this comes from the evil one.'

Living the Gospel Reflection written by Greg Sunter -Liturgy Help.

Jesus demonstrates the crucial nature of interpretation. It is easy for us today to look at something like the Ten Commandments or the Beatitudes and dismiss them as irrelevant. Taken literally, they have fairly limited application to our modern lives. However, interpreted in a broader context and within the context of our own lives, such ancient codes of behaviour can take

on new significance. Jesus points us towards the importance of looking beyond the surface and searching out the truth of such statements. Interpretation of scripture for our modern lives and modern world is vital to living life to the fullest.

Bushfire Fundraiser

Next Wednesday 19th February we will be fundraising for those affected by the recent Bushfires. Schools across the Diocese will be raising funds over the coming week. We are encouraging all students to bring in a gold coin to help support those in our broader community. This money will be donated to Vinnies and Catholic Care.

School News

School Assembly

Our first whole school assembly will be held next Tuesday, 18th February at 2.20pm in the church. At this assembly, we will officially welcome our new students and teachers to our school community. All are welcome to attend.

Lunchtimes in the Library

This week saw the return of lunch- times in the library for 2020. For an alternative to the great outdoors, on Tuesdays and Thursdays, come along to the library. (See attachment for more information.)

Parking

We ask that parents please take note of the email sent out this week regarding parking. We still have parents doing three point turns into driveways to avoid going around the roundabout. This is extremely dangerous.

A resident has also complained that someone parked across her driveway, blocking her in so that she could not leave.

Please be considerate and drive safely so that everyone co-operates to ensure the safety of all our children.

Swimming Carnival 2020

The OLOL Swimming Carnival for 2020 has come and gone again! It was a wet and rainy day but the students made the most of the indoor facility, entering the 25m and 50m swimming events. I would like to congratulate all students on their outstanding behaviour for the duration of the carnival. It was great to see students dressed in their house colours and cheering so loudly! A big thank you and congratulations to our newly appointed House Captains who were great role models for students on the day. Similarly, thank you to our Parent Helpers and OLOL staff who made the day possible, your work is much appreciated.

Lastly, congratulations to the 29 students who made it through to the Hills Zone Swimming Carnival which will be held at Mount Druitt Swimming Centre, this Friday the 14th of February. We wish you the best of luck for this event!

Sporting Congratulations

Congratulations to Jayda Isherwood. Over the weekend she competed at the little Athletics Regional carnival at Blacktown International Sports Park. She received gold in the hurdles, 100m sprint and long jump for under 8 girls. It was impressive results.

2020 Mathematics in the home #1

Ways to respond to your child's mathematical thinking at home:

ANALYSING

- What is the same and different about.....?
- What stays the same and what changes?
- Sort or organise the following to....
- Alter an aspect of something to see an effect.
- If we change.....what will happen?
- What follows from this?
- What do you think will happen next if we do.....?
- What do you notice about.....?
- When is it true?
- Is it just sometimes true or always true? Why?

Other ways to help your child include:

Use everyday opportunities to make mathematics visible

- Remember your child's learning may look different to yours.
- There can be a number of ways to solve a mathematical problem.
- Don't say "That's wrong", say "How did you get your answer?"
- Encourage your child to talk through their thinking
- Allow your child time to think - don't rush in and give them the answer - wait and listen.
